HORTICULTURE CAREER PROGRESSION MANAGERS

TE ARA MAHI

Vision

GoHort works to highlight Horticulture as the career of choice for New Zealanders.

- ✔ Our role is to promote career opportunities within the fruit and vegetable industry
- ✔ We help New Zealanders decide on the training that is right for them and work out their career progression pathway
- ✔ We promote Horticulture careers to New Zealanders by showcasing opportunities in our diverse and vibrant industry
- ✔ We connect people to our industry, education providers, and government agencies
- ✔ We bridge the gap between education, training, and employment
